Well, stop imagining... **It's Here!!!**

Hi, my name is Dr. Ned McArthur the "fibromyalgia doctor" and I am about to reveal to you what I believe is the ULTIMATE, possible solution to your fibromyalgia.

Why would I offer this free report and reveal all this to you... a complete stranger?

Well, I know just how crippling fibromyalgia can be. I know how fibromyalgia can destroy your family. Destroy your career. Destroy your life. I know how fibromyalgia can put a strangle hold on your life... squeezing your hopes and dreams right out of you like a giant anaconda. How do I know how YOU feel?

Well, I help fibromyalgia patients EVERY DAY. You see, a large part of my practice is devoted just to fibromyalgia. Devoted to cases other doctors have had no success with. Devoted to cases other doctors have given up on. Devoted to

cases other doctors have simply turned their backs on and thrown out in the trash. Devoted to cases just like yours.

I spend countless hours every week treating fibromyalgia sufferers just like you and scouring the earth to find the very best and the very latest advances in fibromyalgia.

And What I've Discovered Is Like The "Fountain Of Youth" For Fibromyalgia Sufferers!

You read that right. What I've just done is the equivalent of stumbling across the fountain of youth... or breaking into Fort Knox and making off with all the gold. And I'm gonna share it with you. All of it.

Here's what this is all about: Until very recently I was your average doctor and knew very little about fibromyalgia. I had seen quite a few patients with fibromyalgia over the years and honestly, had a "love/hate" relationship with these cases. I could help some fibromyalgia sufferers quite a bit, while many got minimal if any results at all. Most doctors I know have just given up on fibromyalgia completely, throwing their hands in the air telling their patients it's all in their heads. Well, I kept getting more and more fibromyalgia sufferers asking me if there was ANYTHING I could do to help them. I soon found out that there are...

30 Million Fibromyalgia Sufferers In The United States!

WOW! I began searching everywhere for a solution. Any clue. There had to be something out there that was being overlooked that could help fibromyalgia. Help 30 million people just like you.

Well, after a few years of searching, all I came up with were worthless drugs, diets, supplements, herbs, anti-depressants, psychiatrists, magnets... I even found someone selling some kind of “mineral enriched sea water.” Some of these treatments help other conditions but...

They Were Worthless For Fibromyalgia!

Are you overwhelmed and frustrated with your fibromyalgia and all the so called “answers” you get from your doctors? Well, I was too.

The bottom line was... I could not find anyone who was REALLY helping fibromyalgia sufferers. Sure they did a lot of elaborate, expensive tests (Very expensive!). . They used a lot of fancy words. But when all was said and done, what could they do for you? NOTHING! Then they had the nerve to send you an outrageous bill even Donald Trump would have trouble paying!

Fortunately for you...

I’m The Kinda Guy Who Won’t Take No For An Answer!

So I started researching. I asked questions of everyone who knew anything about chronic pain & fibromyalgia. Then I came across some research that showed how a “short circuit” in the lower part of the brain, would result in severe pain and a multitude of health problems.

So I checked this “short circuit” out on all my patients and guess what? I didn’t see it in everyone, but EVERY SINGLE FIBROMYALGIA PATIENT HAD THIS “SHORT CIRCUIT.”

So I thought, “Well, if I stimulate the brain to reconnect the “short circuit” will that stop the pain in fibromyalgia?”

I was shocked . . . I was amazed . . . **IT WORKED!**

So What Is The Secret?

Much of the latest research points to brain & nerve malfunction as a major cause, if not THE cause of fibromyalgia. Our “Complete Fibromyalgia Qualification Evaluation” includes a thorough nervous system evaluation. In fact, our “Complete Fibromyalgia Qualification Evaluation” is so thorough, and so specific at identifying the cause of your fibromyalgia, that people who have been to a multitude of doctors say it is the most comprehensive health evaluation they have EVER had. This test helps determine if you can be helped through our program and helps monitor your progress. In just a minute I’m going to show you how you can get this test for FREE.

The secret to this program’s success is that it has a multiple-pronged attack on fibromyalgia, that, to my knowledge, no other doctors have even heard about, much less are doing.

We attack fibromyalgia from every possible angle, giving you the best possible chance to feel like you did BEFORE fibromyalgia stole your life.

Knowing this “insider” secret offers you the possible solution to your fibromyalgia and **the power to move the world**. Almost overnight, you can start relieving aches, pains and chronic fatigue. Your life can go from sheer hell to breathtaking enjoyment in a matter of weeks.

The trick, of course... is finding the right secrets. And the right guide, who will take you by the hand, answer all your questions... and show you exactly how you can get help, as fast as humanly possible. The right guide, who understands exactly what you are going through and has helped so many just like you already.

There's a lot of nonsense out there. Too many "experts" who really don't understand what you are going through. Doctors ready to put you on some new trial, toxic drug. Snake oil salesmen ready to profit from your fear. Jokers who don't know what they are doing.

That's why I've put together the "ultimate" program for fibromyalgia sufferers. It's the exact program that so many *former* fibromyalgia sufferers tell me they wish they knew about 10 years ago... So much unnecessary suffering... so much wasted time. This program is the secret most fibromyalgia sufferers never discover.

The Dissection Of A Soul...

You see, you can lose a leg... you can lose an arm... but there is NOTHING like an amputated spirit. That's what fibromyalgia does to you. And the worst part is that it is you are not alone. Fibromyalgia is amputating the spirit of so many people.

Fibromyalgia is a crippling disease ruining the lives of 30 million people. 9 out of 10 are women. What we're here to do is to share this wish you. Share this information that I think will change your life forever. Give you the power to move the world.

Before it's too late . . .

This system can bring you from the peak of misery to a life of breathtaking enjoyment...it's done that for so many already.

There's a lot of nonsense out there. A lot of "experts" praying on your misery. Filling you with false hope. Or even worse, telling you there is NO HOPE. That's why I've written this report. This is REAL help from someone who understands.

We will take you by the hand and answer ALL your questions...giving you the best possible way to get better.

I don't care if you've been to 100's of other doctors. Or if you've been to your family doctor, a neurologist, a rheumatologist, a chiropractor, a massage therapist . . . Or if you've tried everything under the sun and been disappointed countless times. None of that matters.

The ONLY thing that matters... is your desire to get on the bus.

To start feeling better right away. To finally find the answers you've been looking for that can change your life in the blink of an eye. This is a simple program, but you can NOT find it anywhere else and you can NOT figure it out all by yourself. You will NOT find this in a fibromyalgia chat room. I honestly got lucky when I put this program together and found the "missing link" that gets such miraculous results for so many. There is absolutely no sane reason why you should go on suffering when the answer lies right at your finger tips.

Let me be your guide. I know what you're going through. When I started asking other doctors about fibromyalgia they told me, "Aaaah, they're all just hypochondriacs... there's nothing wrong with them... what they need is a good shrink!" Well, I know better. And I promise, I won't let you down.

I've filled my practice just from word-of-mouth. It's taken me months to write this report and now that I'm getting overwhelmed with responses, I'm not sure how many more new patients I can accept. I strictly limit the number of fibromyalgia sufferers on this program so I can give each and every one the individual attention you need to get the best possible results.

There is also a qualification process to make sure you are a candidate for the program and have the best chance for success. So please... if you are at all interested in seeing if you qualify for this program, and seeing if this is finally the solution to your fibromyalgia that you've been dreaming about... do it now. As I'll explain in a minute, you don't risk a single penny.

How Would You Like To Find Out If You Qualify For This Amazing, New Program... Absolutely Free?

Here's The Qualification Process...

- ◆ A consultation with me, Dr. Ned McArthur, to discuss your problem and answer ALL your questions. You will be taken by the hand and ALL your questions and concerns will be answered before you leave.

- ◆ A complete fibromyalgia qualification case history and questionnaire to help determine if we can help you.

- ◆ You will be given a clear explanation to why you are having fibromyalgia, what you can expect and how long it will take for you to be pain free, if you qualify for our program. If at this point our evaluation reveals a condition that is better treated by other means, we will refer you to the appropriate doctor.

- ◆ A relaxing therapy to help you begin your new life without pain. People say this is their favorite part of the whole experience.

My Unconditional Guarantee...

“Your Satisfaction Is Unconditionally Guaranteed...”

And because I know I don't have a magic wand and there are no 100% cures out there, I go one step further. You see, I can not guarantee results. But I can guarantee your satisfaction. If you qualify for care and are accepted and if after the first 30 days of treatment you are not happy for any reason and I mean ANY REASON, you get ALL your money back...no questions asked! I dare you to find any other doctor that is willing to match this offer. No one else dares to match this offer because they know it would put them out of business!

You see, I believe in paying for results not just for some ones time. I know how frustrated I have been when I received horrible advise from attorneys and accountants and still had to pay the bill.

That has happened to me more than once and frankly... **THAT STINKS!!!**

So why would I accept you as a patient if I honestly did not feel I could help you? Why would I waste my time and yours only to have to give you your money back? For that reason, I only accept the most qualified people.

Now, I can not tell you if you will qualify for my program, but if you do, you have absolutely nothing to loose and possibly everything to gain.

If you are ready to get rid of your fibromyalgia, call and schedule your Complimentary Fibromyalgia Evaluation. If after the consultation & evaluation you feel, for ANY REASON, it wasn't valuable, or that it was a waste of your time I will PAY YOU \$20 cash on the spot.

Now Give Me A Minute To Speak “Off The Record...”

You've spent the last half-an-hour or so reading this report, 11 pages to this point. You MUST be seriously interested in what we've said and what the Ultimate Fibromyalgia Program can do for you. Finally finding a completely risk-free way to possibly erase many if not all of your fibromyalgia / chronic fatigue symptoms must be exactly what you've spent so many sleepless, painful nights dreaming about.

Nevertheless, 9 out of 10 of you who have made it this far, all the way through this report, will “chicken out.” Back down when the answer to your prayers may be just one, painless phone call away.

Why do so many people give up without at least giving it a shot? I think you've been taken advantage of... played for a sucker more than once. Prayed on by unscrupulous snake oil salesmen who promise you the world and deliver junk. By this time you're more than a little “gun shy.”

I understand. That's why I put my money where my mouth is and offer you the unparalleled, unconditional, satisfaction guarantee. You will NOT be taken for a fool. You will be given ALL the tools you need to get relief from fibromyalgia. - Now the only question left is... are you gonna chicken out?

I honestly don't know how long this offer will last. I could literally get swamped with calls overnight and have to shut it down. I can only accept a very limited amount of new patients every month.

I always want to make sure you get the individual attention your case requires so you get better as fast as humanly possible. For that reason . . . this offer could be suspended or cancelled at any time. Most likely I will be forced to start a waiting list.

I will guarantee you an immediate appointment if you call by

After that, your spot will be released to someone else.

You've spent so much time suffering already. Why not take a few minutes of your time and find out the real cause and the real solution to your fibromyalgia.
